THE DIRECTOR OF INAF ASTROPHYSICAL OBSERVATORY OF ARCETRI

- Having seen** the Statute of the Istituto Nazionale di Astrofisica (INAF), adopted by INAF Administrative Council on 7 March 2011 and entered into force on 1 May 2011;
- in accordance with** Italian Law n. 240 dated 30 December 2010, Article 22;
- having seen** the INAF Regulations for the awarding of research fellowships approved by INAF Administrative Council on 22 June 2011, Resolution n. 06/11 and subsequent modifications and integrations;
- considering** it appropriate to issue an announcement of competition for the award of a research fellowship;
- given** the availability of finance from fund CRAM 1.05.02.94FP7 CHROMA CUP C18C13000290006 chapter 1.05.08, of the 2014 INAF budget;

DECREES

Art. 1 – Research project

A selection based on titles and qualifications, possibly integrated by an interview, is open to award one research fellowship, funded under the EU-FP7 project “F-CHROMA: Flare Chromospheres: Observations, Models and Archives” (hereinafter referred to as “F-CHROMA”), Grant Agreement n. 606862.

The fellowship is entitled “**Observations and analysis of chromospheric solar flares**”, category A/Post-Doc.

Within the F-CHROMA project, the awarded fellow is expected to carry out the following activities:

- Planning and execution of new flare observing sequences (including spectropolarimetric ones) utilizing existing ground-based and space-based instrumentation. Planning of optimized (chromospheric) flare observing sequences for forthcoming facilities, such as Solar Orbiter, Solar-C, ATST, etc.
- Analysis and interpretation of high resolution observations of chromospheric solar flares, in co-operation with the F-CHROMA partners and as an input to modelling efforts to be conducted within said project;
- Populate an archive of ground-based flare observations, both existing and to be procured during the course of this fellowship, for use within the F-CHROMA project as well as for public distribution.

The successful applicants will perform research under the supervision of Dr. Gianna Cauzzi, in collaboration with the other members of the F-CHROMA research team, both in Italy and abroad. Frequent travel is foreseen to obtain new flare data, in particular at the NSO/DST site in New Mexico, hosting the INAF Imaging Bidimensional Spectro-polarimeter IBIS.

Art. 2 – Requirements

In order to participate in the selection, applicants must possess, on pain of exclusion the following requirements:

- PhD degree in Astronomy or Physics awarded by an Italian or by a foreign University;
- or
- Degree in Astronomy or Physics which would formally entitle to the admission to a doctorate, awarded by an Italian or foreign University together with at least three years of documented experience in scientific activities

A good knowledge of the English language is required.

The following knowledge, skills and experience will be considered as preferential qualifications:

- Research experience in solar physics, with emphasis on acquisition and analysis of solar flare multi-wavelength observations, acquired with state-of-the-art facilities (including ground-based instrumentation);
- knowledge of Fortran programming language, and IDL data processing, including the SolarSoft package;
- independent and collaborative research skills.

Art. 3 – Application procedure

Applications must be submitted in English as closed envelope by “Raccomandata A/R”, authorized carrier (ex. DHL, FedEx, UPS, etc.) or, in person, at the Office Protocol to the address INAF-Osservatorio Astrofisico di Arcetri, Largo Enrico Fermi 5, 50125 Firenze (ITALY). Alternatively, the application can be submitted using PEC (Posta Elettronica Certificata: **no** ordinary e-mail) to the following PEC address: **inafoaarcetri@pcert.postecert.it**

Applications are to be submitted by and not after **midday (UT) on April 30, 2014**. Late submissions will not be considered.

Applications which are not consistent with the attached forms (Annexes 1, 2) or without the applicant’s signatures will be excluded from the selection procedure.

The application must be delivered reporting in the e-mail subject “Application for F-CHROMA Postdoctoral Fellowship position at INAF-Arcetri”.

The application must be delivered reporting on the envelope or the PEC (Posta Elettronica Certificata) subject “**Application for F-CHROMA Postdoctoral Fellowship position at INAF-Arcetri – DD. n. 17/2014**”.

Aware that false declarations are punishable by law and that the Administration will carry out random checks on their accuracy the applicant must state clearly and precisely in the application, under his/her own responsibility:

- name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence;
- that s/he satisfies all the requirements described in article 2 of this Call;

- that s/he is aware of and is not ineligible under any of the restrictions described in article 4 of this Call.

The lack of any of the above mentioned declarations will determine the exclusion from the selection procedure for incomplete application.

For selection purposes the applicants:

- shall directly state any academic qualifications in the application form (Annex 1); in addition
- EU citizens and non-EU citizens residing outside Italy, if successful, must produce originals or suitably certified copies of academic qualifications obtained outside Italy

The following documents have to be submitted:

- Annex 1 “Application form”;
- Annex 2 “Curriculum vitae”, signed and dated by the applicant, providing evidence of possession of the titles and the skills required to carry out the research in subject and including a list, if applicable, of grants and fellowships held in the past and a statement of research interest ;
- copy of a valid identity document (ID card or passport);
- list of publications;
- any other qualification, working task, research activity for public and private institutions and publications that the applicant deems appropriate to submit.

Applicant should also arrange for two signed letters of reference by persons familiar with her/his work who shall send them directly and within the deadline by e-mail with acknowledgement of receipt to the following address: gcauzzi@arcetri.astro.it

Applicants are admitted for selection with reservation and may – at any time – be notified of exclusion from the selection procedure for the following reasons:

- submission of the application after the deadline;
- failure to complete and sign the application form;
- failure to sign the curriculum vitae;
- lack of the copy of a valid identity document;
- lack of the requirements indicated in paragraph 2.

Should the reasons for exclusion be ascertained after completion of the selection procedure the applicant will lose any right deriving from participation in the selection procedure; similar loss will be applied to applicants providing any false statement or document.

INAF accepts no responsibility for lost applications or documents where this is due to the applicant having provided incorrect contact details or having failed or delayed in notifying any changes to these details.

Art. 4 – Ineligibility and incompatibility with other funding

Full professors, associate professors and “ricercatori” in Italian universities and employees of Italian research public institutions are all excluded from entering the competition.

The grant cannot be held at the same time with attendance at academic courses as those that formally give access to a doctorate, as well as with attendance at PhD courses with fellowship.

The grant cannot be held contemporarily with other fellowships of whatever kind, except those awarded with the aim of integrating the training or research activity of the fellowship holder through a period spent abroad.

Aggregation of income from working activities, also part-time, carried out continuously is not accepted. Instead, limited self-employed occasional work is compatible with the grant, only if this is not prejudicial to the research activity carried out for INAF. This must be authorized in advance by the Director of INAF- Osservatorio Astrofisico di Arcetri.

Retired persons are not eligible for Research fellowship.

Also excluded from participation are any person who has carried out Research fellowships under article 22 of Italian Law 240/2010 for a total period exceeding four years, including extensions, but excluding the periods in which the grant has been held in coincidence with doctoral studies up to the maximum legal time limit of the course and excluding periods of maternity leave or sick leave, in accordance with current legislation.

Art. 5 – Duration of the Research fellowship

The Research fellowship is expected to begin on June 1st, 2014 or as soon as possible thereafter, for a period of 12 months.

An extension of up to additional 18 months may be possible depending on performance and on funding availability. In accordance with Italian Law n. 240/2011 the duration of the fellowship, inclusive of possible renewal, will not exceed four years, excluding periods of maternity leave or sick leave, in accordance with current legislation

The exact initial date could be reasonably delayed if requested by the completion of administrative procedures and/or for the cases mentioned in the art. 10 of this call. In any case (i.e. independent on the starting date) the fellowship will end on Dec.31, 2016 date of completion of the F-CHROMA project.

Art. 6 – Host Institution

The fellow will carry out the research at INAF-Osservatorio Astrofisico di Arcetri – Largo Enrico Fermi, 5 – 50125 Firenze (Italy).

Art. 7 – Salary amount

The gross annual salary will be 32.000,00 (Thirty-two thousand/00) Euro. This amount is net of burdens to be charged to INAF-Arcetri, social charges and health coverage and will be paid in deferred monthly installments.

Italian fiscal and social security rules will be applied. During the period of obligatory maternity leave the allowance paid by INPS (Italian National Institute for Social Security) is supplemented by INAF up to the total amount of the grant. The period of obligatory maternity leave will not contribute to the duration of the grant foreseen by the contract.

Art. 8 – Selection Committee and selection procedure

The selection will be performed by a Selection Committee appointed by the Director of INAF-Osservatorio Astrofisico di Arcetri and is composed of three members, including the scientist in charge of the project, Dr. Gianna Cauzzi.

The selection is based on qualifications possibly integrated by an interview. The Selection Committee can establish a short list of the eligible applicants to be interviewed, on the basis of qualifications and documented experience in scientific activities on the specific subject of the research fellowship. All the stages of the selection procedure (e.g. meetings of the Selection Committee, interviews and so on) can be performed also using electronic devices for the communications. Applicants selected for the interview will be summoned with 15 days notice by e-mail with acknowledgement of receipt, containing the individual score for qualifications.

The total ranking score is 100 points, of which 70 points is the maximum score for qualifications and 30 points is the maximum score for the interview. At the end of the selection procedure the Selection Committee will draw up the ranked list.

The approval decree of the selection procedure and the ranked list will be published on the following website: <http://www.arcetri.astro.it>

Art. 9 – Awarding of the fellowship

The highest ranked candidate will receive written notification of award of the research fellowship, which will be anticipated by e-mail to assure a rapid process.

Within 10 days from receipt of the formal notification of the award she/he must provide a formal declaration of acceptance of the research grant. The declaration will also state that she/he is not subject to any of the exclusion conditions listed in article 4 of this Call.

The declaration can be anticipated by electronic mail.

If the candidate does not provide declaration of acceptance within a time limit of 10 days, she/he will surrender his/her entitlement to the research fellowship and it can be awarded to the next ranked candidate.

Under no circumstances the signing of the contract starts a subordinate employment relationship or ensures any rights to access to permanent INAF staff positions

Art. 10 – Fellowship obligations

The holder of the fellowship:

- will start the research activity at the date due as for the contract at INAF- Osservatorio Astrofisico di Arcetri, unless prevented by force majeure or exceptional circumstances, of which the Director of INAF- Osservatorio Astrofisico di Arcetri must be timely informed;
- will carry out her/his research activities under the supervision of the INAF scientist in charge of the F-CHROMA project, Dr. Gianna Cauzzi, who will also monitor the fellow's progress;
- is required to issue an activity reports when requested by the director and in any case at the end of the first year. The activity reports will be subject to approval from the scientist in charge of the project and will be transmitted to the Director of INAF-Arcetri. Approval failing, duly reasoned by the scientist in charge, will give INAF-Arcetri the right to terminate the contract;
- is required to send a written note in case of withdrawal, with at least 30 days notice, otherwise INAF-Arcetri is entitled to retain or request the reimbursement of the salary amount corresponding to the notice time-span she/he has failed to send.

The holder of the fellowship who does not carry out her/his research activity regularly without producing justified reasons or lacks repeatedly to fulfil requirements or, according to the evaluation of the local coordinator of the F-CHROMA activities, Dr. Gianna Cauzzi, eventually shows evident lack of skills at the planned research activities, will incur the termination of the contract.

Temporary suspensions of the research fellowship are due in case of obligatory maternity leave or in case of illness which lasts longer than one month or to any other serious reason. The reasons for suspending the research fellowship must be proved and certified, and promptly sent to the Director of INAF- Arcetri.

Art. 11 – Proceeding Responsible

The Responsible of this Call proceedings is Dr. Serena Donati (email: donati@arcetri.astro.it)

Art. 12 – Applicable regulation

The INAF-Osservatorio Astrofisico di Arcetri shall abide by provisions in force promoting equal opportunities for women and men, non-discrimination and respect of privacy in processing personal data.

For what not explicitly mentioned in this announcement, the INAF- Osservatorio Astrofisico di Arcetri shall act in compliance with the regulations in force concerning Italian public selection procedures, when applicable by analogy.

The present call will also be published, according with art. 8 of INAF rules and regulations on "Assegni di Ricerca", on the INAF- Osservatorio Astrofisico di Arcetri website <http://www.arcetri.astro.it/opportunita-di-lavoro> and on the INAF website: <http://www.inaf.it>
