**DECREE N. 72/2013**

**THE DIRECTOR**

**IN ACCORDANCE WITH** D.D. N. 50/2013 of the 28<sup>th</sup> October 2013, concerning the assignment of one post-doc research grant entitled: "Dynamics of black holes in star clusters by means of N-body simulations";

**IN ACCORDANCE WITH** art. 3 of the competition announcement, which fixed the deadline on January, 9th 2014;

**IN ACCORDANCE WITH** the requested reopening of the deadline presented by dr. Michela Mapelli, scientist in charge of the FIRB - Futuro in Ricerca – project "New perspectives on the violent Universe: unveiling the physics of compact objects with joint observations of gravitational waves and electromagnetic radiation";

**CONSIDERING** that the aforementioned request is justified by the need of granting a wider participation to the selection procedure;

**IN ACCORDANCE WITH** the authorization given by the Director of the INAF – Astronomical Observatory of Padova;

**ASCERTAINED** every other appropriate element;

**DEECRES:**

The D.D. N. 50/2013 of the 28<sup>th</sup> October 2013 is modified as follows:

- art. 3: Applications must be consistent with the attached application form (Attachment 1), with the addition of the date and the signature of the candidate.
