**DECREES**

**Art. 1 – Research project**

A selection based on qualifications, possibly integrated by an interview, is open to award one research fellowship, funded under the project “RESERVOIRS FOR PLANETARY ATMOSPHERES” entitled: ***“Sub-millimeter observations of protoplanetary systems with ALMA”***.

The candidate will work on sub-millimeter observations of protoplanetary disks with ALMA.

**Art. 2 – Requirements**

In order to participate in the selection applicants must possess the following requirements by the deadline for application, under penalty of exclusion:

- PhD in Physics or Astrophysics

The following knowledge, skills and experience will be considered as preferential qualifications:

- Experience with millimeter observations

**Art. 3 – Application procedure**

Applications must be submitted in English as closed envelope by “Raccomandata A/R”, authorized carrier (ex. DHL, FedEx, UPS, etc.) or, in person, at the Office Protocol to the address INAF-Osservatorio Astrofisico di Arcetri, Largo Enrico Fermi 5, 50125 Firenze (ITALY). Alternatively, the application can be submitted using applicant PEC account (Posta Elettronica Certificata: **no** ordinary e-mail) to the following PEC address: [inafoarcetri@pcert.postecert.it](mailto:inafoarcetri@pcert.postecert.it).

Applications are to be submitted by and not after **midday (CET) on September 30<sup>th</sup>, 2016**. Late submissions will not be considered.

Applications which are not consistent with the attached forms (Annexes 1,2) or without the applicant’s signatures will be excluded from the selection procedure.

The application must be delivered reporting on the envelope or in the PEC subject “**Application for Postdoctoral Fellowship position at INAF - Astrophysical Observatory of Arcetri – DD n. 65/2016**”.

Aware that false declarations are punishable by law and that the Administration will carry out random checks on their accuracy, the applicant must state clearly and precisely in the application, under his/her own responsibility:

- a. name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence;
- b. that s/he satisfies all the requirements described in article 2 of this Call;
- c. that s/he is aware of and is not ineligible under any of the restrictions described in article 4 of this Call.

The lack of any of the above mentioned declarations will determine the exclusion from the selection procedure for incomplete application.

For selection purposes the applicants:

- a ) shall directly state any academic qualifications in the application form (Annex 1) in addition
- b ) the successful candidate must produce originals or suitably certified copies of academic qualifications if obtained outside Italy. Such documents should be translated into English.

The following documents have to be submitted:

- a) Annex 1 “Application form”;
- b) Annex 2 “Curriculum vitae”, **signed and dated** by the applicant, providing evidence of possession of the titles and the skills required to carry out the research and including a list,

- if applicable, of grants and fellowships held in the past and a statement of research interests;
- c) copy of a valid identity document (ID card or passport);
  - d) copy of the PhD certificate, translated into English if obtained outside Italy;
  - e) statement of research;
  - f) list of publications;
  - g) any other qualification, working task, research activity for public and private institutions and publications that the applicant deems appropriate to submit, included the abstract of the thesis;
  - h) signed list of all documents presented.

In addition to the documents listed above, the candidate should arrange for two recommendation letters to be sent directly to the following e-mail address: [fedele@arcetri.astro.it](mailto:fedele@arcetri.astro.it)

Applicants are admitted for selection with reservation and may – at any time – be notified of exclusion from the selection procedure for the following reasons:

- submission of the application after the deadline;
- failure to complete and sign the application form;
- failure to sign the curriculum vitae;
- lack of the copy of a valid identity document;
- lack of the requirements indicated in article 2.

Should the reasons for exclusion be ascertained after completion of the selection procedure the applicant will lose any right deriving from participation in the selection procedure; similar loss will be applied to applicants providing any false statement or document.

INAF accepts no responsibility for lost applications or documents where this is due to the applicant having provided incorrect contact details or having failed or delayed in notifying any changes to these details.

**Art. 4 – Ineligibility and incompatibility with other funding**

Full professors, associate professors and “ricercatori” in Italian universities and employees of Italian research public institutions are all excluded from entering the competition.

The grant cannot be held at the same time with attendance at academic courses as those that formally give access to a doctorate, as well as with attendance at PhD courses with fellowship.

The grant cannot be held contemporarily with other fellowships of whatever kind, except those awarded with the aim of integrating the training or research activity of the fellowship holder through a period spent abroad.

Aggregation of income from working activities, also part-time, carried out continuously is not accepted. Instead, limited self-employed occasional work is compatible with the grant, only if this is not prejudicial to the research activity carried out for INAF. This must be authorized in advance by the Director of INAF - Astrophysical Observatory of Arcetri

Retired persons are not eligible for Research fellowship.

Also excluded from participation are any person who has carried out Research fellowships under article 22 of Italian Law 240/2010 for a total period exceeding six years, including extensions, but excluding the periods in which the grant has been held in coincidence with doctoral studies up to the maximum legal time limit of the course and excluding periods of maternity leave or sick leave, in accordance with current legislation.

**Art. 5 – Duration of the Research fellowship**

The Research fellowship will have a duration of **24 months**, possibly renewable depending on performance and on funding availability. The scientific activity is expected to begin as soon as possible.

In accordance with Italian Law n. 240/2010 the duration of the fellowship, inclusive of possible renewal, will not exceed six years, excluding periods of maternity leave or sick leave, in accordance with current legislation.)

**Art. 6 – Host Institution**

The fellow will carry out the research at INAF - Astrophysical Observatory of Arcetri, Largo Enrico Fermi 5, I - 50125 Firenze

**Art. 7 – Salary amount**

The yearly gross salary will be **28.000 Euro**. This amount is net of burdens to be charged to INAF - Astrophysical Observatory of Arcetri, social charges and health coverage and will be paid in deferred monthly instalments. The fellow will be requested to have a personal accidents insurance for the duration of the fellowship.

During the period of obligatory maternity leave the allowance paid by INPS (Italian National Institute for Social Security) is supplemented by INAF up to the total amount of the grant. The period of obligatory maternity leave will not contribute to the duration of the grant foreseen by the contract.

**Art. 8 – Selection Committee and selection procedure**

The selection will be performed by a Selection Committee appointed by the Director of INAF - Astrophysical Observatory of Arcetri and is composed of three members, including the scientist in charge of the project, Dr. Davide Fedele.

The selection is based on qualifications possibly integrated by an interview. The Selection Committee can establish a short list of the eligible applicants to be interviewed, on the basis of qualifications and documented experience in scientific or technological activities on the specific subject of the research fellowship. Applicants selected for the interview will be summoned with 15 days notice, containing the individual score for qualifications.

The total ranking score is 100 points, of which 60 points is the maximum score for qualifications and 40 points is the maximum score for the interview. At the end of the selection procedure the Selection Committee will draw up the ranked list.

The approval decree of the selection procedure and the ranked list will be published on the following website: <http://www.arcetri.astro.it>

**Art. 9 – Awarding of the fellowship**

The highest ranked candidate will receive written notification of award of the research fellowship.

Within 10 days from receipt of the formal notification of the award she/he must provide a formal declaration of acceptance of the research grant. The declaration will also state that she/he is not subject to any of the exclusion conditions listed in article 4 of this Call.

If the candidate does not provide declaration of acceptance within a time limit of 10 days, she/he will surrender his/her entitlement to the research fellowship and it can be awarded to the next ranked candidate.

Under no circumstances the signing of the contract starts a subordinate employment relationship or ensures any rights to access to permanent INAF staff positions.

**Art. 10 – Fellowship obligations**

The holder of the fellowship:

- will start the research activity at the date due as per the contract at INAF-Arcetri, unless prevented by force majeure or exceptional circumstances, of which the Director of INAF - Astrophysical Observatory of Arcetri must be timely informed;
- will carry out her/his research activities under the supervision of the scientist in charge of the project, Dr Davide Fedele, who will also monitor the fellow's progress;
- is required to issue an activity reports every 12 months. The activity reports will be subject to approval from the scientist in charge of the project and will be transmitted to the Director of INAF - Astrophysical Observatory of Arcetri. Approval failing, duly reasoned by the scientist in charge, will give INAF - Astrophysical Observatory of Arcetri the right to terminate the contract;
- is required to send a written note in case of withdrawal, with at least 30 days notice, otherwise the INAF - Astrophysical Observatory of Arcetri is entitled to retain or request the reimbursement of the salary amount corresponding to the notice time-span she/he has failed to send.

The holder of the fellowship who does not carry out her/his research activity regularly without producing justified reasons or lacks repeatedly to fulfil requirements or, according to the evaluation of the local coordinator of the activities, Dr Davide Fedele, eventually shows evident lack of skills at the planned research activities, will incur the termination of the contract.

Temporary suspensions of the research fellowship are due in case of obligatory maternity leave or in case of illness which lasts longer than one month or to any other serious reason. The reasons for suspending the research fellowship must be proved and certified, and promptly sent to the Director of INAF - Astrophysical Observatory of Arcetri.
