DECREES

Art. 1 – Research project

A selection based on titles and qualifications, possibly integrated by an interview, is open to award

one research fellowship, “Assegno di Ricerca – Tipologia A”, category POST-DOC, entitled:
WEAVE - StePS – Survey planning

WEAVE is a powerful new multi-object spectrograph for the 4.2m William Hershel Telescope at the Observatorio del Roque de los Muchachos, on La Palma in the Canary Islands. It will allow astronomers to take spectra of up to 1000 stars and galaxies in a single exposure. This huge leap in observing efficiency (currently a maximum of 100 objects can be observed simultaneously) will allow astronomers to tackle several astrophysical problems that until now have remained out of reach.

The StePS survey will make use of such a powerful instrument to target roughly 40,000 galaxies at redshifts between 0.3 and 0.7, obtaining high signal-to-noise spectra at resolution $R \sim 5000$, extending the ground-breaking progress made by surveys such as the 2dF and SDSS in the low-redshift Universe to higher redshifts. StePS will use WEAVE to trace back in cosmic time the evolution of galaxy stellar population properties as a function of galaxy stellar mass, star formation activity and environment, thereby providing much needed empirical constraints on the physical mechanisms that regulate galaxy formation and assembly history.

The successful applicant will work in collaboration with Dr. Angela Iovino, Dr. Bianca Poggianti and the other members of StePS Italian science team to finalize the survey planning and its scientific exploitation.

More in detail the successful applicant will be working on:

- Survey strategy optimization for StePS and finalizing input catalogs
- Post-processing and quality control of pipeline data
- Science measurements from spectra
- Catalogs of Science products
- Organization of a common StePS Web Page to favour transfer of informations and synergies among all the research groups involved (in Italy and abroad)

Art. 2 – Requirements

In order to participate to the selection, applicants must fulfil the following requirements – at the deadline of the application – under threat of being excluded:

- PhD degree in Astronomy or Physics or equivalent, obtained from an Italian or foreign university or, equivalently, university pre-doctoral degree in the same fields plus 3-year post-graduate research experience;
- Good command of the English language.

Art. 3 – Application procedure

Applicants should send by registered mail to the postal address of Osservatorio Astronomico di Padova a printed copy of the application, properly signed.

Alternatively applicants can present in person their application to Osservatorio Astronomico di Padova, during office hours (Monday-Friday, 9:00-13:00).

Applications received before **MARCH 10th, 2017** will be taken into full consideration.

Please quote reference “Assegno di Ricerca - D.D. 11/2017” on the postal envelope.

A. The applicant must state clearly and precisely in the application form, under his/her own responsibility:

- name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence;
- that he/she satisfies all the requirements described in article 2 of this Call;
- that he/she is aware of and is not ineligible under any of the restrictions described in article 4 of this Call.

The lack of any of the above mentioned declarations will determine the exclusion from the selection procedure for incomplete application.

B. The applicant should send the following documents:

- (1) Complete Application Form, as provided in attachment to this announcement;
- (2) Curriculum vitae, **signed and dated by the applicant**, detailing on past experience on the subject of this fellowship;
- (3) Statement of research interests and qualifications;
- (4) List of publications and/or any other title deemed relevant for the application;
- (5) Copy of a valid identity document (ID card or passport);
- (6) The name and e-mail address of two contact persons who may provide reference letters upon request.

In case he/she is awarded the post-doctoral fellowship, the successful candidate will have to provide the INAF-OA Padova administration, before taking up the position, with:

- copy of the PhD certificate or of equivalent foreign academic qualification.

INAF accepts no responsibility for the loss of applications or documents, where due to the applicant having provided incorrect contact details or having failed or delayed in notifying changes of these details, or to problems with postal delivery not due to INAF.

Art. 4 – Ineligibility and incompatibility with other funding

The Research fellowship cannot be held either by INAF employees holding both permanent and non-permanent contracts, nor by regular employees of Institutes listed in article 22, paragraph 1 of Italian Law n. 240/2010. Fellowship holders are not allowed to enroll in a “Laurea Specialistica”, or “Laurea Magistrale” (Master Level) degrees, or to enter a PhD program covered by a separate fellowship. For employees of the Italian Public Administration, a compulsory unpaid leave of absence is foreseen.

The fellowship cannot be held simultaneously with other fellowships of whatever kind, except those awarded with the aim of integrating the training or research activity of the fellowship holder through a period spent abroad. Aggregation of income from working activities, also part-time, carried out continuously is not accepted. Instead, limited self-employed occasional work is compatible with the fellowship, only if this is not prejudicial to the research activity carried out for INAF. This must be authorized in advance by the Director of INAF – OA Padova.

When formally accepting the fellowship, the successful candidate will issue a declaration of absence of inadmissible simultaneous fellowships/fellowships.

Retired persons are not eligible for Research fellowship.

Art. 5 – Duration of the Research fellowship

The Research fellowship is initially awarded for **12 months** and can be renewed depending on funding availability and project needs. During this year the successful applicant may spend some time visiting other research institutions in Italy or abroad, and he/she will be reimbursed according to the INAF rules as in “Manuale per il trattamento delle spese di missione”. In accordance with the Italian Law n. 240/2010 the total duration of the “Assegni di Ricerca” cannot in any case exceed six years (excluding periods of maternity leave or sick leave, in accordance with current legislation.)

Art. 6 – Host Institution

The fellow will carry out the research at the Brera premises of INAF Osservatorio Astronomico di Brera in Milano.

Art. 7 – Salary

The gross yearly salary for this position will be **28,000.00 (Twenty-eight-thousand/00) Euro**. This amount is net of burdens to be charged to INAF – OA Padova and will be paid in deferred monthly instalments.

Applicable fiscal rules are the provisions of art. n. 4 of Italian law n. 476/1984 and subsequent modifications and integrations. Applicable social security rules are art. n. 2, paragraph 26 and following paragraphs of the Italian Law n. 335/1995 and subsequent modifications and integrations. Applicable rules for obligatory maternity leave are provided in the Decree of the Italian Ministry of Labour and Social Security dated 12 July 2007, published in the “Gazzetta Ufficiale” n. 247,

October 23rd 2007. Applicable rules for sick leave are provided by art. n. 1, paragraph n. 788 of Italian law n. 296, December 27 2006, and subsequent modifications.

During the period of obligatory maternity leave, the allowance paid by INPS (Italian National Institute for Social Security) according to art. n. 5 of the above Decree dated 12 July 2007 is supplemented by INAF up to the total amount of the fellowship. The period of obligatory maternity leave will not contribute to the duration of the fellowship foreseen by the contract.

Art. 8 – Selection Committee and selection procedure

The selection will be performed by a Selection Committee appointed by the Director of INAF- OA Padova. The Selection Committee is composed of three members, including the scientist in charge of the project. The selection is based on qualifications, possibly integrated by an interview. The Selection Committee can establish a short list of the eligible applicants to be interviewed, on the basis of titles and qualifications and documented experience in the scientific or technological activities on the specific subject of the research fellowship. If approved by all members of the Committee, the interviews can be performed via video-conference, to ease the procedure for foreign candidate and reduce costs. Applicants selected for the interview will be summoned with 15 days notice.

The total ranking score is 100 points: a maximum of 70 for titles and qualifications, and a maximum of 30 for the interview. At the conclusion of the selection procedure the Selection Committee will produce a ranked list.

The approval decree of the selection procedure and the ranked list will be published on INAF- OA Padova web site: <http://www.oapd.inaf.it>.

Art. 9 – Awarding of the fellowship

The highest-ranked candidate will receive a written notification with an offer of the research fellowship, which will be anticipated by e-mail to assure a speedy process. Within 10 days from receipt of the formal notification of the award she/he must provide a formal declaration of acceptance of the fellowship, or of withdrawal. The declaration can also be anticipated by electronic mail. In case no declaration is received, the candidate is considered as withdrawn and thus excluded. The committee can then move down the ranking and repeat the procedure with the second-ranked candidate, and so on, until the fellowship is accepted.

Under no circumstances the signing of the contract starts a subordinate employment relationship or ensures any rights to access to permanent INAF staff positions.

Art. 10 – Starting date and fellowship obligations

Expected starting date of the research fellowship is **1 April 2017**. The holder of the fellowship:

- will start the research activity on due date, as for the contract with INAF- OA Padova, unless prevented by force majeure or exceptional circumstances, of which the Director of INAF – OA Padova must be timely informed;
- will carry out her/his research activities at INAF-OA Brera under the supervision of the project, Dr. Angela Iovino, who will also monitor the fellow's progress;

- is required to issue periodical activity reports as established in the contract. The activity reports will be subject to approval by the project supervisor. Approval failing, duly justified by the supervisor, will give INAF – OA Padova the right to terminate the contract;
- is required to send a written note in case of withdrawal, with at least 30 days notice, otherwise INAF - OA Padova will be entitled to retain or request the reimbursement of the salary amount corresponding to the notice time-span she/he has failed to send.

The holder of the fellowship who fails in carrying out her/his regular research activity, without producing justified reasons or lacks repeatedly to fulfil requirements or, according to the evaluation of the scientist in charge, eventually shows evident lack of skills at the planned research activities, will incur in the termination of the contract.

Temporary suspensions of the research fellowship are due in case of obligatory maternity leave or in case of illness lasting longer than one month or to any other serious reason. The reasons for suspending the research fellowship must be proved and certified, and promptly sent to the Director of INAF- OA Padova.

Art. 11 – Personal Data

In accordance with art. 13, paragraph 1 of the Italian Legislative Decree n. 196/2003 and subsequent modifications, personal data provided by the candidates will be used exclusively for the purposes of this selection. Candidates wishing to obtain further information, or to exercise their rights under art. 7 of the above mentioned Legislative Decree, may contact the Responsible for the administration of this call.

Art. 12 – Responsible Administrative Employee

The Responsible Person for this Job announcement processing is Dr. Giovanni Candeo, of INAF-OA Padova.

Art. 13 – Applicable regulation

INAF-OA Padova shall abide by provisions in force promoting equal opportunities for women and men, non-discrimination and respect of privacy in processing personal data.

For what not explicitly mentioned in this announcement, INAF-OA Padova shall act in compliance with the regulations in force concerning Italian public selection procedures, when applicable by analogy.

The present call will also be published, according with art. 8 of INAF rules and regulations on “Assegni di Ricerca”, on the following web sites: <http://www.inaf.it> and <http://www.oapadova.inaf.it>, on the web pages of the Ministero dell’Istruzione, dell’Università e della Ricerca (MIUR) and of European Union, according to the lines guides defined by MIUR.
