

• **MR. ANGELO BOCCACCINI**

INAF, Istituto di Astrofisica e Planetologia Spaziali, Via Fosso del Cavaliere, 00133 Rome, ITALY

Education: Technical institute

Professional Background

Calibration set-up and testing of space instrumentation.
2000-2005 CNR – IFSI contract
2005-2008 INAF – IFSI contract
2009-2011 INAF-IFSI permanent position
2012-present INAF-IAPS permanent position

Relevant Experience

VIRTIS (Rosetta) Calibration set-up and measurements
VIRTIS (VEX) Calibration set-up and measurements
VIR-MS (Dawn) Test and calibration set-up
Ma_MISS (Exomars) Test and calibration set-up
JIRAM (Juno) Test and calibration set-up
VISTA (MARCO POLO R) Calibration set-up and measurements
CAM (Contamination Assessment Microbalance) Test Manager
