**DECREES**

**Art. 1**

A selection based on titles and qualifications, possibly integrated by an interview, is open to award a 7-months scholarship (Borsa di Studio) entitled “**Figuring, Polishing and Metrology of Astronomical Optics**” at INAF-Astronomical Observatory of Brera (Merate seat).

The successful applicant will perform research in collaboration with Dr. Giovanni Pareschi and the other members of the optical team in Merate. The research activity will be focused on:

- support and development activities devoted to the fabrication of astronomical optics, with particular reference to studies based on ion figuring and Bonnet polishing

### Art. 2

The scholarship is expected to cover seven (7) months starting from February 1<sup>st</sup>, 2016. It can be further extended in agreement with the Scientific Supervisor and upon the availability of funding.

The gross total amount for this position will be **10.000.00 (ten-thousand,) Euro**. This amount is net of burdens to be charged to INAF/OA-Brera and will be paid in deferred monthly installments.

The above-stated amount doesn't include costs incurred while travelling in Italy or abroad for research purposes.

The winner of the scholarship, moreover, must get a health insurance if not already covered by the National Health System according to law n. 833/78.

With regards to fiscal duties, the current rules of the sector apply.

The scholarship can not be combined with other checks and grants of a similar nature; besides, it is not a contract of employment and does not give any right to access permanent positions at INAF.

### Art. 3

Applicants must fulfill the following requirements in order to be eligible for the scholarship:

- Master/Laurea in Mechanical, Material or Optical Engineering or an equivalent degree, obtained by December 31<sup>st</sup>, 2015.

Further, the following aspects will be considered as an asset:

- Good knowledge of the English language.
- Previous experience in the same or in a similar field.

### Art. 4

Applications should be sent **in electronic form** to the attention of Luca Ciarfaglia and in cc to Rachele Millul at the following addresses: [luca.ciarfaglia@brera.inaf.it](mailto:luca.ciarfaglia@brera.inaf.it) and [rachele.millul@brera.inaf.it](mailto:rachele.millul@brera.inaf.it).

Only applications received **by January 21<sup>st</sup>, 2015** will be taken into full consideration.

**Please quote reference "Scholarship application: ASPHA" as the subject of the email and of all correspondence.**

**The date of the email submission will be the one considered valid.** Any incomplete applications or any applications submitted after the deadline will not be taken into account. A printed copy of the application, duly signed, shall also be sent by regular mail or as "raccomandata a mano" at the following address: **INAF-Osservatorio Astronomico di Brera- Via Brera 28- 20121 Milano- Italy.**

**The applicant must state clearly and precisely in the application form, under his/her own responsibility:**

- name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence (inserting also phone number, fax or email);
- date and University in which the University degree was obtained;
- whether he/she is receiving other funds or other scholarships and, if so, detail their amount and duration.

**The applicant should send the following documents:**

- A Curriculum Vitae, **signed and dated**;
- A description of the research activities carried out so far;
- A list of publications.

#### **Art. 5**

The selection will be performed by a Selection Committee appointed by the Director of INAF/OA Brera and is composed of three members, including the scientist in charge of the project. The selection is based on qualifications, possibly integrated by an interview. Applicants selected for the interview will be summoned with 7 days notice by letter or telegram or email.

The committee will then proceed to select a winner, also drawing up a list of suitable candidates, which will be posted on the official INAF - Brera Astronomical Observatory bulletin board, both in Milan and in Merate.

#### **Art. 6**

The winner will receive notification of the awarding of the scholarship by e-mail, letter or telegram. Within a deadline of seven days from the date of its receipt, he/she must submit a statement to OAB of unconditional acceptance of the terms indicated in the call, otherwise he/she can lose the right to the scholarship. In case the acceptance is not submitted, or the

scholarship refused, the Committee will offer it to the next candidate, following the order of the list posted on the bulletin board.

#### **Art. 7**

The present call will be published on the INAF/OA Brera websites, on the official bulletin board of the OAB, both in Milan and in Merate and on the INAF network. Moreover, it will be sent to the research institutes of the sector.
